EXPERIENCE

Staff Product Designer
ServiceNow
MARCH 2026 - PRESENT

Staff Product Designer
SenseHQ (Talent CRM)
JULY 2024 - FEB 2026

Spearheading end-to-end design for AI voice agents in a Sales CRM ecosystem, enabling intelligent customer interactions and workflow automation.

- Led the design of Sense CRM, simplifying workflows and designing experiences for **enterprise users worldwide.**
- Designed intuitive tools like candidate surveys, task dashboards, and job management interfaces to improve recruiter efficiency and satisfaction.
- Spearheaded the design of **AI-powered features**, including candidate matching, analysis, and conversational AI, to empower recruiters with faster decision-making tools.

Lead Product Designer
Freshworks (Freshsales CRM)
DEC 2023 - JUNE 2024

- Lead Design Freshsales CRM, used by over **5000+** businesses.
- **CRM:** Designed the complete quote creation process, making it easier for users to generate quotes.
- Improved product management and the handling of different currencies and taxes within the CRM.
- **Analytics Dashboards:** Enhanced the analytics features, helping businesses better understand and track their growth.

Head of Design
MyCaptain (Learners and Mentors Portals)
NOV 2022 - SEPT 2023

- Directed the design strategy, contributing to a 20% growth in the user base within a year.
- Led a team of UX/UI designers and researchers, ensuring alignment with both company goals and user needs.
- **LMS:** Championed a user-focused design process, using data, user research, and continuous feedback.
- Built a unified Design System that impacted 250,000 learners.
- Worked closely with senior leadership to ensure design strategies aligned with business goals.

Lead Product Designer & Co-founder
Alfheimr - Global Dev & Design Agency
OCT 2018 - OCT 2022

- **Designed B2C products for multiple sectors,** including sports tech, e-commerce, cloud kitchen, and **gamified learning for the K-12 users.**
- I built a bite-sized learning platform that became one of the top 5 products on Product Hunt.
- **B2B Experience:** Designed products for insurance, medical hiring, freelance marketplace, and finance sectors.
- **Led a team** of 10+ designers, devs and product managers.
